

Our wine list at Botswana Butchery Auckland has been carefully curated to showcase the quality and the breadth of wine that New Zealand creates. We have also selected a few interlopers from the more classical wine-producing regions around the world to compare against.

Most wines on our list come from either organic or biodynamic farming principles that complement the fresh and seasonal food our menu has to offer.

We hope you enjoy the list and aren't afraid to step outside the box with your selection.

If you have any questions do not hesitate to ask one of our knowledgeable staff.

All wines and vintages are subject to availability.
